Kick Your Winter Blues in Elora with a Creative Glass Workshop

Date and Time: Thursday, April 3 6:00 pm - 9:00 pm

Address: 40 Church St,

Winter in Ontario can feel long—but we have just the thing to brighten up those grey days. Located in the heart of downtown Elora, our creative glass workshops offer the perfect way to shake off the winter blues while learning a new skill, getting hands-on with beautiful materials, and making something truly one-of-a-kind.

Why Try a Glass Workshop?

There's something magical about working with glass. The colors, the textures, the way light plays through it—it's an art form that's both meditative and rewarding. Whether you're a total beginner or have dabbled in creative projects before, our workshops are designed to be fun, approachable, and inspiring. It's a great way to slow down, get creative, and leave with a piece of art you've made yourself.

Even better? You'll be working with recycled and upcycled glass materials. Sustainability is at the heart of what we do, and we're passionate about recycling and upcycling glass of all sorts. By using reclaimed materials, we're reducing waste and playing our part in environmental awareness.

A Perfect Outing for Everyone

Looking for a unique activity with your family, a fun date idea, or a creative way to spend time with friends? Our workshops are a great fit. Even workplace teams have found it to be a refreshing way to connect outside of the office. Whether you come solo or bring a group, you'll find yourself in a welcoming space where creativity flows, ideas spark, and you get to take home something made by your own hands.

Make a Day of It in Elora

One of the best parts of joining a workshop in Elora is making a full day of it. After your glass workshop, why not explore downtown? Wander through the shops, stop for lunch, or grab a cocktail at one of Elora's many restaurants. The town is full of charm, with cozy cafes, shops, restaurants, and plenty of inspiration around every corner.

So, if winter has you feeling a little sluggish, step into the warmth of creativity.

Join us for a glass workshop, connect with the process, and leave with something beautiful and unique, made in Elora.
